Refer to the list of roads on the backside of this map for any seasonal restrictions that may apply. This map does not supply information about non-motorized uses or other facilities or attractions on the National Forest. Please obtain a forest visitor map or contact the Forest Supervisor's office, (509) 684-7000 for more complete information. A digital copy of this map is available [www.fs.fed.us/r6/colville](http://www.fs.fed.us/r6/colville).

OHV (Off-Highway Vehicle) routes identified on this map are subject to dual-use conflicts during Timber Sale harvesting operations. OHV use is discouraged in these areas.

Operating an ATV or other motor vehicle on National Forest roads, trails, and areas open to cross country travel carries a greater responsibility than operating the same vehicle in and around town. Not only must the operator know and follow all traffic rules but they must show care and concern for the natural environment as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any road, trail, or area.

**PROTECT YOUR PRIVILEGES, STAY ON DESIGNATED ROADS, TRAILS AND AREAS.** Individuals should be aware that the roads, trails, and areas may contain hazards that are not signed or even known to Forest Officials. Care should be taken at all times to protect oneself and those in your care. Much of the National Forest may be remote and medical assistance would not be readily available. Cell phones do not work in many areas of the National Forest. Take adequate food, water, first aid supplies and other equipment appropriate for the conditions and expected weather.

The designations shown on this map are covered under Title 36 Code of Federal Regulations, part 212.51 and Part 261.13 apply to the described roads, trails, and areas during the period described on the Motor Vehicle Use Map. Violations of these regulations are subject to a fine of not more than five thousand dollars (\$5,000.00) or imprisonment for not more than six (6) months or both. (16USC551)
